

Auto Extreme â Care Guide

Keep your finish flawless.

DO

- Hand wash with a pH-neutral shampoo.
- Use the two-bucket method with a grit guard.
- Rinse off bird droppings and sap quickly.
- Dry with a clean, soft microfibre.

DON'T

- Use automatic brush car washes.
- Wipe dry, dusty panels.
- Let contaminants bake in the sun.
- Apply wax or filler over a ceramic coating.
